RE: Docket 070649-TL; Embarq's Petition for Declaratory Statement  
January 29, 2008 Agenda Conference, Item No. 5

Dear Ms. Cole:

Rule 25-22.0021(7), F.A.C., provides that in matters such as declaratory statements, where the Commission issues an order based on a given set of facts without a hearing, the Commission may allow informal participation at the Agenda Conference at its discretion. In connection with its petition to intervene in Docket No. 070649-TL, Treviso Bay has requested leave to address the Commission and the staff has recommended that the Commission grant that request. To the extent the Commission allows participation on this matter at the Agenda Conference, Embarq also requests that it be allowed to address the Commission.

Sincerely,

Susan S. Masterton
