Re: TJ883-07-0-R Certificate of Public Convenience and Necessity

To Whom It May Concern:

Per our conversation with Dale Vuys of the Telecommunications Department of the Florida Public Service Commission (850) 413-6600, we were directed in the following: Ring Connection, Inc. is requesting the cancellation of TJ883-07-0-R Certificate of Public Convenience and Necessity. The reasoning for this is that the company will not be providing this service for the current year 2008.

If there are any questions, please notify me.

Respectfully,
