Dear Paula,

I am writing in behalf of Wireless Access Network Inc. We would like to discontinue our license to operate long distance service. I was under the impression that we have been paying for CLEC status. In any event, the \$700 a year bill that used to be \$50 is far more substantial for us to pay for. We are currently a long time start up corporation and have not provided any services to date. We plan on reinstating our services if the market demand increases.

Sincerely,
