Part II

Yes, change the docket title, and the listing of utilities to show the ILEC, not the CLEC.

(F Y I, CLECs don't file agreements with wireless carriers.)

Jeff, when establishing the mailing list for this docket, we discovered that GTC, Inc. d/b/a GT Com is an inactive CLEC company (TX171). We looked at the referenced docket for the original agreement and we discovered that at the time of the original agreement the ILEC (TL719) had this same name. In docket 060796, TL719 changed its name to GTC, Inc. d/b/a FairPoint Communications. Could you look at this and let us know if a title change would be appropriate at this time? Based on your response, we will also change the entries in the Utilities field and the mailing list. Thanks for your help in this matter.
