Bob,

Thanks for explaining. I do have another question, though: if the reseller doesn't receive the \$3.50 discount in addition to the \$10 Lifeline discount from the underlying carrier, we don't have to pass it along anyway, do we? The only discount we are receiving from AT&T in Florida is \$10. They offer the \$3.50 discount in MS, NC and SC only.

How would this be applied to CLECs who are not ETCs and are only resellers of the Lifeline Service? Would non-ETC companies be required to do the quarterly reports; or would the ETCs report the resold lifelines as well as their own? The proposed rule refers to ETCs only and not to resellers.

Mr. Saporito,

Docket No. 080119 has been closed and reassigned a new number - Docket No. 080009. Please see attached Order No. 08-0191-PCO-EI.

Pursuant to Rule 25-22.039, Florida Administrative Code, petitions for leave to intervene must be filed at least five (5) days before the final hearing.

The hearing in Docket No. 080009 was held on September 11 and 12, 2008. Thus, by operation of law, there is no longer a proceeding in this docket for which intervention is available. Please advise whether you wish to proceed further with this matter, or whether we may deem your request for intervention as having been withdrawn.

Good morning Ms. Cole!

I was told that in Kim's absence you will be helping prepare subpoenas. This is my first one, so PLEASE feel free to contact me with any questions you may have or for any information you may need. Please prepare a subpoena for AT&T. This is a friendly subpoena that we would like to be able to fax over today, if at all possible, as their responses to our data request are due today. The PSC Staff Contact will be Bob Casey. The information we need in the subpoena is as follows:

**16. The number of access lines with Lifeline resold to other carriers each month. Identify each carrier separately by name or certificate number.**

2007		2008	
July	0	January	0
August	0	February	0
September	0	March	0
October	0	April	0
November	0	May	0
December	0	June	0

This is information that is found in item number 16 of the Data Request that I have attached in case you prefer to receive it in that format.

We will be following the fax up with a hard copy via mail, so the contact AT&T provided will be fine.

If we will not be able to get this out today, please let me know when you think we will be able to.

Thank you! Jamie

Yes, this was a duplicate. I had not received confirmation that it was acceptable.

Was yesterday's e-filing acceptable?

I had also Federal Expressed 3 hard copies to arrive yesterday also, can you confirm whether these were received and acceptable.

Thanks for your help and I apologize for the inconvenience.

-----  
 Once again I am asking you to release our telephone number to Brighthouse of Central Florida. We have contacted the Florida Utilities Commission and filed a complaint form and FCC. I got a call today from the corporate office of ATT and they are researching it too. You have lied to both me and Brighthouse. When I called Teresa at Freedom Communications and was told all Brighthouse had to do was fax and let them know to transfer 386-672-3606 to Brighthouse. Brighthouse told me they have tried and you will not release our telephone number. According to the Line Number Portability Law we can keep our same number. We have complied with everything that was asked of us and you will not release our phone number. We still are connected to 386-672-3606 although after 4 rings, it says it is not longer in service but I can dial out, get called ID (no voice mail) and can answer if it does not answer before 4 rings. What is going on? Once again Brighthouse is coming tomorrow, March 1, 2008. That have been out since December trying to connect us. What are you doing? If you need any documentations, we will be glad to fax you whatever you need. Again, we called ECG in December and told them we would be going to Brighthouse.

Again, please release our telephone number  
 Please respond to this email.
