RE: Docket No. 070084-WU
Holiday Utility Company, Inc.

Dear Director:

Holiday Utility Company requests consideration of the Commission in regard to placing the matters related to the docket noted above in abeyance for 90 days. I reviewed the current circumstances with Mr. Richards, County Attorney for Pasco County, who is in agreement with our request. Both parties are of the impression that the territory dispute may be brought to settlement and progress is being made to that resolve.

We appreciate all considerations afforded Holiday Utility and Pasco County in this regard.

Respectfully,

Gary Deremer
President

CC: V. Penick
J. Richards, Pasco County
