PETITION FOR LEAVE TO INTERVENE

Under Commission Rules 28-105.0027, 28-106.205 and 25-22.039, Verizon Florida LLC (“Verizon”) asks the Commission to allow Verizon to intervene in this proceeding. Verizon is a telecommunications company as that term is defined in Section 364.02 of the Florida Statutes. As such, its regulated intrastate operations are subject to the jurisdiction of this Commission.

Communications relating to this proceeding should be directed to:

Intrado Communications Inc. (“Intrado”) filed a petition in this docket requesting that the Commission issue a declaratory statement concerning whether, among other things, Verizon may charge Intrado or Public Safety Answering Points for certain 911 services under Verizon’s Florida tariffs. Verizon is entitled to intervene in this proceeding because its interests as a local exchange telecommunications company will be substantially and directly affected by the decision in this docket.

Respectfully submitted on February 27, 2008.
