Pro Forma Reorganization**

Dear Ms. Bayo:

Startec Global Operating Company ("Startec") and Americatel Corporation ("Americatel") (collectively, the "Companies"), by their attorneys pursuant to the rules of the Division of the Commission Clerk and Administrative Services Florida Public Service Commission (the "Commission"), advise the Commission of a *pro forma* corporate restructuring that will result in the merger of the Companies, with Americatel surviving (the "Transaction"). Both companies provide resold interexchange telecommunications services in Florida.

In addition, in connection with the Transaction, the Companies request that the Commission cancel Startec's operating authority in Florida, effective upon consummation of the Transaction. As explained more fully below, following the Transaction, Startec will cease to exist and Americatel will assume the customers and operations of Startec pursuant to Americatel's authority to provide telecommunications services.

## III. DESCRIPTION OF THE TRANSACTION

As soon as practicable after receipt of all necessary regulatory approvals, and on or about March 31, 2008, the Companies will implement a *pro forma* corporate restructuring in which Startec will be merged with and into Americatel, with Americatel surviving. As a result of the merger, Startec and SGCC, its immediate parent and a holding company, will cease to exist and Americatel will become the operating telecommunications service provider in Florida, serving all Americatel and Startec customers. An illustrative chart describing this *pro forma* restructuring is attached hereto as Exhibit A. Upon completion of this *pro forma* corporate restructuring, Americatel will assume the customers and operations of Startec but will continue to use the Startec brand name for those customers, possibly on a co-branded basis and pursuant to a registered assumed name. Americatel will provide service to all of its customers, including those served under the Startec brand name, pursuant to its existing operating authority in Florida.

The Companies anticipate that this *pro forma* merger will be seamless and transparent to Startec's customers. There will be no change in the ultimate ownership or control of Americatel, which will remain with Platinum Equity, the entity that also currently controls Startec. Service will be provided using the same network, billing systems and customer service operations currently used by Startec. No existing service will be discontinued, reduced, or impaired as a

result of the *pro forma* merger. Thus, the Transaction will cause no interruption in service to customers. In addition, Americatel will serve Startec's customers using the same rates, terms, and conditions that currently apply under Startec. Americatel intends to adopt those portions of Startec's tariffs relating to Startec's service offerings and will file a revised tariff after consummation of the transaction or as otherwise directed by the Commission.

Finally, the Companies will comply with the Federal Communications Commission's ("FCC's") rules governing the sale of a carrier's customer base, 47 C.F.R. § 64.1120(e). These rules require that every affected subscriber of Startec receive notice of the Transaction as prescribed under the FCC's rules; and that Americatel certify to the FCC that it has provided at least 30 days' written notice to each subscriber affected by this transaction, under 47 C.F.R. § 64.1120(e)(1-3).

#### **IV. REQUEST TO CANCEL STARTEC'S OPERATING AUTHORITY**

In connection with the Transaction, the Companies request the Commission cancel Startec's operating authority in Florida.<sup>1</sup> The Companies both currently hold authority to provide resold interexchange service in Florida. As explained above, following the Transaction, Startec will cease to exist and Americatel will assume the customers and operations of Startec. Americatel will provide service to all of its customers, including those served under the Startec brand name, pursuant to Americatel's existing operating authority in Florida; thereby making Startec's operating authority unnecessary. No customers will be affected by this relinquishment because, as explained above, no existing service will be discontinued, reduced, impaired or interrupted as a result of the *pro forma* merger. Accordingly, the Companies hereby request that the Commission cancel Startec's certificate in Florida as of the date of consummation of the Transaction, scheduled to occur on or about March 31, 2008, or as soon as practicable after receipt of all necessary regulatory approvals. The Companies will notify the Commission upon consummation of the transaction.

#### **V. PUBLIC INTEREST STATEMENT**

The Companies submit that the Transaction will serve the public interest. The Transaction will streamline and eliminate inefficiencies from the business and administrative operations of Startec and Americatel. Specifically, the Companies anticipate that the Transaction will allow them to realize significant cost savings and operational benefits. Such savings are likely to result from network integration, reduced overhead and administrative costs, synergies from information systems integration, and other sources. These cost savings and benefits will cause Americatel to become a stronger competitor in the marketplace and will allow it to continue to provide high quality and low cost telecommunications services to customers.

---

<sup>1</sup> See Docket No. 4427 dated February 8, 1999.

LATHAM & WATKINS<sup>LLP</sup>

In addition, the Transaction will strengthen competition in Florida by helping Americatel's business to grow and by putting Americatel in a better position to expand its service offerings. As Americatel's presence in Florida expands, Americatel will be better able to achieve economies of scale and scope, which will permit it to offer lower prices, maintain and improve service quality, and launch new services. As a result, Americatel will become a stronger competitor, bringing more of the well-recognized benefits of vigorous competition to telecommunications customers throughout Florida. Finally, the Transaction will benefit customers by permitting Americatel to integrate Startec's assets into its own services to create new, "best-of-class" offerings. In this way, the sale will ensure that the benefits Startec's customers currently enjoy remain available to them, and also may become available to Americatel's existing customers, benefiting the entire merged customer base.

## VI. CONCLUSION

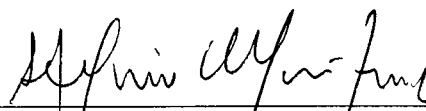

Again, this letter constitutes notification to the Commission of a transaction for which the Companies believe no approval is required. In addition, in connection with the Transaction, the Companies request that the Commission cancel Startec's operating authority in Florida upon consummation of the Transaction. Questions regarding this letter may be directed to the undersigned.

RESPECTFULLY SUBMITTED THIS 28th day of February, 2008.

Respectfully submitted,

AMERICATEL CORPORATION  
STARTEC GLOBAL OPERATING COMPANY
