RE: TG431 Palm:Tel Communications, Inc.

To Whom It May Concern

I sold Palm-Tel Communications as of 1-1-2005. I no longer operate any payphones. I filed the final return in 2004. To the best of my knowledge I do not have any outstanding fees. If I am incorrect please contact me.

Sincerely,

Barry W. Hodges, President

Dear Mr. Hodges:

Please confirm that you are requesting cancellation of your pay telephone certificate. In addition, my e-mail from this morning explained that if payment of the 2007 and 2008 Regulatory Assessment Fees were not paid, we could not grant the company a voluntary cancellation. Therefore, when you reply to this e-mail, please let me know your intentions regarding the past due fee and the 2008 fee. A docket will not be established to cancel your certificate until I hear back from you. Thanks for your assistance.

Dear Mr. Hodges:

The Regulatory Assessment Fee is applicable if a certificate is active for any day during a calendar year whether a certificate holder had any revenues or ever started operations. The fee must be postmarked by January 30th to avoid late payment charges. Our records show the 2007 fee, including late payment charges, has not been received. The fee is .0020 of a certificate holder's intrastate revenues, or the minimum \$100, whichever is greater.

If you owe the minimum and if payment is postmarked by February 29, the amount due is \$106 (\$100 minimum fee, \$5 penalty, \$1 interest). If you owe the minimum and if payment is postmarked between March 1 and March 30, the amount due is \$112 (\$100 minimum fee, \$10 penalty, \$2 interest). As information, the late payment charges continue to accrue until the fee is paid.

Delinquent notices have now been mailed and if a certificate holder does not comply with the notice within 15 days, certificate holders will automatically be fined \$500 for a first offense, \$1,000 for a second offense, and \$2,000 for a third offense. If Palm-Tel Communications, Inc. does not comply, it would be fined \$1,000 since this will be its second offense of the Regulatory Assessment Fee rule violation.

If you wish to cancel your pay telephone certificate, please write the Commission a letter requesting cancellation. If you want a voluntary cancellation, please include payment of the 2007 and 2008 Regulatory Assessment Fees, including any applicable late payment charges. If full payment is not included, the Commission would still cancel the certificate, it would just be cancelled on the Commission's own motion and any unpaid fees would be turned over to collections.

Please let me know if you have any questions or need a copy of the 2007 (and/or 2008) Regulatory Assessment Fee return form(s). Thanks.
