) AFFIDAVIT OF KENNETH L. BROCKWAY
COUNTY OF PALM BEACH)

BEFORE ME, the undersigned authority, personally appeared Kenneth L. Brockway, who, being first duly sworn deposes and says:

1. My name is Kenneth L. Brockway. I am currently employed by Florida Power & Light Company ("FPL") as Manager of Coal Origination in the Energy Marketing and Trading Division. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed the documents and information for which I am listed as an affiant in Exhibit C and which are included in Exhibit A to FPL's Request for Confidential Classification. The documents and materials in Exhibit A which are asserted by FPL to be proprietary confidential business information are comprised of information concerning bids and contractual data. The disclosure of this information concerning bids and contracts would impair the efforts of FPL to contract for goods or services on favorable terms. This information also consists of competitively sensitive information, the disclosure of which would impair the competitive business of FPL and certain of its vendors. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
