Good afternoon! Appreciate you reviewing and advising that it is OK to make the corrections. Recently mailed out my request for “updated information” for all the Companies/Utilities under the FPSC jurisdiction. Mr. Griffin responded on behalf of City of Green Cove Springs , advising that their name has changed to “City of Green Cove Springs Electric Utility.”

Forwarding copy of the “updated information” for your information and further handling. I know that the “Municipally Operated Electric Utilities” entity, can change their name without prior approval from the Commission. All other entities have to request for a docket to be opened and an order issued acknowledging their request.

If you could verify the new information with the City of Green Cove Springs, then let me know either by e-mail or memo that this is now their correct name. Once I hear back from you then I can update their name that we have listed in our Master Commission Directory (MCD.) Until then they will remain as originally listed in MCD.

Thanking you in advance for your help in this matter.
