The word "certification" can be deleted from the title. A more accurate title would be....."Application for designation as an eligible telecommunications carrier"

Thank you for bringing this to our attention.

Hi Curtis,

It was just brought to my attention that the docket title for Docket 080107 is a little confusing. Though DN 01332-08 reads, "application for certification as an eligible telecommunications carrier," they aren't applying for "certification." High Tech was assigned a certificate in 2000. If you think there should be a change in the docket title (to reflect "application for designation") please advise. If no changes are to be made, please advise as well we'll leave the title as it is. Thank you!

Dorothy
