COMPLAINT INFORMATION

Complaint: Other Complaint against Hudson Utilities, Inc.

Details:

I am a retired engineer trying to investigate the continual closing of Hudson Beach for fecal coli form and other waste based pollutants. On Feb 1, 2008 I asked Hudson Utilities in writing , for a list of homes and businesses, by sub division, which have not been hooked up to their sanitary system. I was assured there was "no problem" obtaining this list and I would probably receive the information that day. Over six weeks have passed and every time I request the list I receive the same answer; "I?m too busy". My concern is since this company is in the process of being sold, what are they hiding by not providing me with the list? Since your agency represents the good of the people, please look carefully at Hudson Utilities and their upcoming sale to Ni America. I am sending this memo to Ni America, my local Commissioner, the Pasco County health department and the Florida DEP.
