In re: Staff Request for                    )  
Billing Information                        )

Docket No: 080000  
Filed: March 19, 2008

**FLORIDA POWER & LIGHT COMPANY'S  
REQUEST FOR CONFIDENTIAL CLASSIFICATION**

**NOW, BEFORE THIS COMMISSION**, through undersigned counsel, comes Florida Power & Light Company ("FPL") and, pursuant to Rule 25-22.006 of the Florida Administrative Code and Section 366.093 of the Florida Statutes, hereby requests confidential classification of certain information requested by the Florida Public Service Commission Staff ("Staff"). In support of its request, FPL states as follows:

1. Staff has requested copies of certain confidential customer bills and bill audits. FPL provided the confidential material requested by Staff on February 20, 2008 along with a Notice of Intent to Request Confidential Classification. The confidential material provided on February 20, 2008 has been returned to FPL so that FPL may file an updated set of confidential information.

2. The following exhibits are included herewith and made a part of this request:

a. Exhibit A consists of the customer bills for which FPL seeks confidential treatment. All information in Exhibit A that FPL asserts is entitled to confidential treatment has been highlighted. Exhibit A is submitted separately in a sealed folder marked "CONFIDENTIAL."

b. Exhibit B consists of the edited versions of all the documents for which FPL seeks confidential treatment. All information for which FPL requests confidential treatment

has been redacted in Exhibit B.

c. Exhibit C is a table containing a line-by-line and page-by-page identification of the information for which confidential treatment is sought and, with regard to each document or portions thereof, references to the specific statutory basis or bases for the claim of confidentiality and to the affidavit in support of the requested classification.

d. Exhibit D includes the affidavit of Kenneth Getchell.

3. FPL submits that the highlighted information in Exhibit A is proprietary confidential business information within the meaning of Section 366.093(3), Florida Statutes. To the best of FPL's knowledge, the highlighted information has not been publicly disclosed. Pursuant to Section 366.093, such information is entitled to confidential treatment and is exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

4. As the affidavit in Exhibit D indicates, the highlighted information consists of customer-specific account information. It is FPL's corporate policy not to disclose customer-specific information. This policy is premised upon customers' right to privacy and the potential that the disclosure of customer-specific account information may harm some customers' competitive interests. The Commission has previously affirmed that customer-specific information constitutes confidential proprietary business information that relates to competitive interests, pursuant to Section 366.093(3)(e), Florida Statutes. *See e.g.* Order No. PSC 07-0828-CFO-EI.

5. Upon a finding by the Commission that the material in Exhibit A for which FPL seeks confidential treatment is proprietary confidential business information within the meaning of Section 366.093(3), Florida Statutes, such information should not be declassified for a period of at least eighteen (18) months. FPL further requests that the material provided in Exhibit A be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business, pursuant to Section 366.093(4), Florida Statutes.

**WHEREFORE**, for the above and foregoing reasons, and as more fully set forth in the supporting materials and affidavits included herewith, Florida Power & Light Company requests that its Request for Confidential Classification be granted.

Respectfully submitted,
