Good Morning,

Unless there are any concerns, staff will be attaching the current tentative issue list (sent 3/7/08) to the Order Establishing Procedure.

Also, after review of the docket file, staff has identified the other confidential filing (Document 00549-08) as a document that may not need to be confidential. The documents are letters and e-mails between the parties, and appears to be pertaining to publically discussed information. Staff would like to parties to consider whether confidentiality is necessary. Please do not hesitate to contact me if you have any questions.
