Dear Mr. Rossi:

If you can provide us with a different address, as you indicated in your March 7th e-mail, we will replace your home address with the new one. In addition, the letter you asked about will be edited and rescanned without your home address. As soon as you provide us with another address, the company's records will be updated. Please let me know if you have any questions.

Paula,

Were you are able to remove my address and contact info from the site? If so thank you. I also discovered this is posted as well. [www.psc.state.fl.us/library/filings/08/00729-08/00729-08.pdf](http://www.psc.state.fl.us/library/filings/08/00729-08/00729-08.pdf)

I can provide a Florida address if necessary. However, it's important that my personal home address or contact info is not visible on the internet. I am working with the department of Justice in California concerning gang related activities. This is the reason for my search on the internet to see what turned up.

Your attention in this matter is greatly appreciated.

Jim Rossi

**REDACTED PARTIES**

Marguerite, please redact name and address. I left the docket files on your chair. When you finish and the redacted version has been filed in place and the pages containing his info have been flagged (red flag), please return docket files to Matilda.

Dorothy, please update description to remove the second CLK note.

I will redact the parties list and remove his name, email, and phone number. Upon completion of this task, I will place a redacted copy of this email in the parties correspondence file of the docket.

Thank you to each one of you for your help in satisfying this request.

i have deleted the envelope from the PDF for DN 00697-08 and added a CMS remark:

"ADM/Fiscal - \$700 payment record from Wireless Access Network Inc.; Dep 807 dated 1/29/08; letter dated 1/22/08 requests acknowledgment of cancellation of IXC Registration No. TJ300, effective 12/31/08. [CLK note: IXC name in letter does not match name shown in MCD.] [CLK note: Envelope with personal information not available on web-site.]"

or, do you just want me to redact that as well & not have the CMS remark ?

---

For DN 00729-08, i am redacting Mr. Rossi's address & getting Cathi to scan it so i can replace the initial acknowledgment letter that was there before.

---

do i do the stuff in the physical docket file ? or Shannon ?

Shannon, please forward the document to Marguerite for redacting and rescanning. Thanks.

Kim, Adam called me and said that if Mr. Rossi provides us with another address, that you would change our records. Before I get back with him, my specific question to you is what about the 01/30/08 letter in Docket No. 080068 from the Clerk's Office that has his home address. Can the address be "whited out" and rescanned or just plain removed? I thought I'd better get that answer before I get back with him. Thanks.

Thanks Hong, you are correct, we cannot delete company codes from MCD, but that does have Mr. Rossi's information listed. If he is concerned about that being in our "inactive" codes that is there for historical information about the company when it was "active." N

Kim, we have checked our Website, and Mr. Rossi's name, phone number, fax number, and e-mail address are not showing under Utilities. However, they are showing under "Parties of Record." So, I don't think CMR needs to do anything in MCD since we cannot delete the company information from MCD. Would you please try to figure out what can be done for Mr. Rossi for the Parties of Record? Thanks!  
FYI.

Per Mr. Rossi's request, please remove his contact information from CMS (080068-TI). It is my understanding we have been able to do this in the past when requested. If you need additional information just let me know.

Thanks.
