In Re: Petition of

for Declaratory Statement
Regarding Local Exchange
Telecommunications Network
Emergency 911 Service

Docket No. 080089-TP
Filed March 28, 2008

**RESPONSE TO WINDSTREAM FLORIDA, INC.'S PETITION FOR LEAVE TO
INTERVENE AND MOTION FOR MORE DEFINITE STATEMENT**

Intrado Communications, Inc. ("Intrado"), pursuant to Rule 28-106.205, Florida Administrative Code, hereby files this response to Windstream Florida, Inc.'s ("Windstream") Petition For Leave To Intervene and states:

1. Section 120.565, Florida Statutes, provides that "[a]ny substantially affected person may seek a declaratory statement regarding an agency's opinion as to the applicability of a statutory provision, or of any rule or order of the agency, as it applies to the petitioner's particular set of circumstances." This case involves the specific question of whether Intrado, as a competitive local exchange carrier (CLEC), or its customers are required by statute, rule or order of the Commission to pay ILEC tariff charges for local exchange telecommunications 911 services. For the reasons set forth in the Petition, Intrado has legitimate questions or doubts concerning the applicability of statutory provisions, rules, or orders over which the agency has authority, and determined a need for a declaratory statement to resolve questions or doubts as to how the statutes, rules, orders, and tariffs discussed herein may apply to Intrado's particular circumstances.

2. Rule 28-105.0027, Florida Administrative Code provides that "[t]he presiding officer shall allow for intervention of persons meeting the requirements for intervention of Rule 28-106.205, F.A.C."

3. Rule 28-106.205, Florida Administrative Code provides that a petition to intervene “shall conform to subsection 28-106.201(2), F.A.C., and shall include allegations sufficient to demonstrate that the intervenor is entitled to participate in the proceeding as a matter of constitutional or statutory right or pursuant to agency rule, or that the substantial interests of the intervenor are subject to determination or will be affected through the proceeding.”

4. Rule 28-106.201(2), Florida Administrative Code provides that:

(2) All petitions filed under these rules shall contain:

(a) The name and address of each agency affected and each agency's file or identification number, if known;

(b) The name, address, and telephone number of the petitioner; the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests will be affected by the agency determination;

(c) A statement of when and how the petitioner received notice of the agency decision;

(d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate;

(e) A concise statement of the ultimate facts alleged, including the specific facts the petitioner contends warrant reversal or modification of the agency's proposed action;

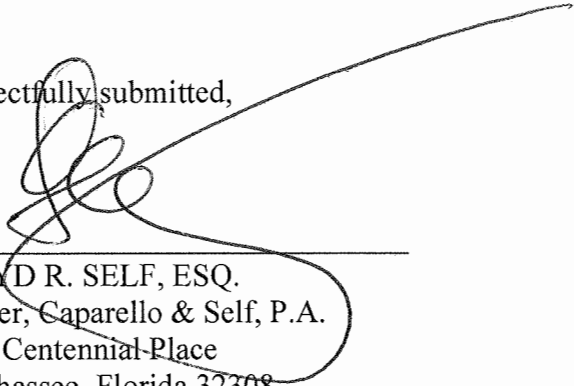

(f) A statement of the specific rules or statutes the petitioner contends require reversal or modification of the agency's proposed action, including an explanation of how the alleged facts relate to the specific rules or statutes; and

(g) A statement of the relief sought by the petitioner, stating precisely the action petitioner wishes the agency to take with respect to the agency's proposed action.

5. The document filed by Windstream does not meet the requirements established by the Uniform Rules in Title 28, Florida Administrative Code.

6. For the reasons set forth herein, Intrado requests that the Commission enter an order dismissing the Windstream's Petition for Leave to Intervene with leave to amend, and requiring that any petition filed by Windstream comply with the Uniform Rules in Title 28, Florida Administrative Code.

Respectfully submitted,
