# PARTIES

Ms. Janssen,

Thank you for calling me back this morning. Per our conversation, you advised that the original signature page was over-nighted to CMP/Beth Salak. Per FPSC e-filing requirements:

### Special Conditions

- The party submitting a document for filing by electronic transmission acknowledges and agrees:
  - a. That the original physically signed document will be retained by that party for the duration of the proceeding and of any subsequent appeal or subsequent proceeding in that cause, and that the party shall produce it upon request of the other parties or the Commission.

Since you have forwarded a hard copy of the original document this e-filing will not be accepted for official filing. You may view e-filing requirements at the Commission's website. The link is included below for your convenience:
