Issue 2: Should this docket be closed?

Recommendation: Staff recommends that the Order issued from this recommendation will become final and effective upon issuance of a Consummating Order, unless a person whose substantial interests are affected by the Commission's decision files a protest that identifies with specificity the issues in dispute, in the form provided by Rule 28-106.201, Florida Administrative Code, within 21 days of the issuance of the Proposed Agency Action Order. As provided by Section 120.80(13)(b), Florida Statutes, any issues not in dispute should be deemed stipulated. If any entity fails to timely file a protest and to request a Section 120.57, Florida Statutes, hearing, the facts should be deemed admitted and the right to a hearing waived. The company's CLEC certificate and IXC tariff should be cancelled administratively, the company's name should be removed from the register, and the collection of the unpaid Regulatory Assessment Fees, including statutory late payment charges, should not be referred to the Florida Department of Financial Services for further collection efforts. If the company's CLEC certificate and IXC tariff are cancelled and its name removed from the register in accordance with the Commission's Order from this recommendation, the company should be required to immediately cease and desist providing telecommunications services in Florida. This docket should be closed administratively upon cancellation of the company's CLEC certificate and IXC tariff and removal from the register.
