Re: Docket No. 000475-TP

Marguerite, on 2/27/08 AT&T filed its Notice of Intent for its responses to PODs 9 and 13 of Thrifty's 2nd Request for Production of Documents. The Responses were contained on a CD. On March 19 AT&T notified the Commission in Document No. 02064-08 that it would not be filing a RCC for Responses to PODs 9 & 13 and that Thrifty had been notified of the due date for the RCC if Thrifty considered the information confidential.

The RCC was due 3/19/08. No Request for Specified Confidential Classification has been received as of today, 4/9/08. Since 21 days has expired from the date of the Notice of Intent, staff requests that the CD containing AT&T's responses to PODs 9 and 13 be declassified.
