Good morning Jennifer,

We received an e-filing in the consolidated dockets mentioned above. This filing (DN 04906-08) is a little different. It appears to combine e-mail correspondence to you and pbcenvirocoalition@gmail.com with a prehearing statement, a request for intervenor status, a request to have the need determination hearing held in the area of the proposed projects (similar to Docket 070650); and advising they are entering the proceedings pro se. Based on the fact that they are requesting intervenor status, I have marked this document as a motion. This is just a heads-up so that you can keep an eye out for this document.

Kim, FYI.
