New Phone Numbers for WindMark Beach Area

FairPoint Communications customers in the WindMark Beach Development and adjacent area will soon have Port St. Joe telephone numbers. Instead of 647 or 648, the new numbers will start with 229 or 227.

Old numbers will work for a year

To allow time for friends, family and associates to be notified, current numbers will remain in effect for one year, along with the new numbers. In addition, after this one-year period calls made to some areas in Bay County, including Panama City Beach, Youngstown, Fountain, Lynn Haven and Southport, will be billed as long distance calls instead of at the Extended Calling Service rate of 25¢.

Please call FairPoint customer service at 800-400-5568 or the Florida Public Service Commission at 800 342-3552 with any questions or concerns regarding these changes.

Before the undersigned authority personally appeared Ron Isbell who deposes and says that (s)he is General Manager of The Star, a weekly newspaper printed in the English language and of general circulation published in the City of Port St. Joe, Florida, in said county and state, and that the attached notice of New Phone Numbers was published in said newspaper weekly for a period of 1 weeks consecutively, beginning April 3, 2008 and ending April 3, 2008 said publication being on the following dates: 4/3/08

Deponent further says that The Star has been continuously published as a weekly newspaper issued each Thursday and has been entered as second class mail matter at the post office in Port St. Joe, Gulf County, Florida, for a period of more than one year next preceding the first publication of the attached copy of advertisement; and deponent further says that (s)he has neither paid nor promised any person, firm or corporation any discount, rebate, commission or refund for the purpose of securing this advertisement for publication in the said newspaper.
