That's okay. It wasn't in the original filing either. Per this e-mail, I will make the revision to the docket title to include the comma. Thank you for your help.

The comma should be there. I must have overlooked that punctuation mark...

Good morning Jeff,

Please see Nonnye's comment below and confirm that the comma should still be there - there haven't been any changes to the company name with Secy of State have there? Thank you.

Good morning Dorothy! In the above dkt, we had a e-mail from Jeff requesting you remove the "." from the "Inc" in the CLEC name, which you did, but there is a "," between "Connection" and "Inc" in their certificated name. (Global Connection, Inc of America.) Please check the dkt title. Thanks. N
