CEC	
отн	The due date is set by Section 364.386(1)(b), Florida Statutes. Failure to comply with this rule may result in the Commission assessing penalties of up to \$25,000 per offense, with each day of noncompliance constituting a separate offense per Section 364.285(1), Florida Statutes.

5.	If you do not currently provide video services, do you have plans to offer video services in conjunction with other network services in the next three years? NO
6.	This question concerns prepaid local telephone service in Florida. Please place a check by the response that most accurately reflects whether or not you offer prepaid local telephone service. Company offers ONLY prepaid local telephone service in Florida Company offers prepaid AND non-prepaid local telephone service in Florida Company does NOT offer prepaid local telephone service in Florida
Bur	adled Services
7.	Do you offer bundled services to your Florida residential and business customers? For the purpose of this question, bundled services are specially priced packages that consist of local service plus at least one other feature (e.g., call waiting) or service (e.g., long distance or broadband or video). Please check the applicable response(s). X Yes - Residential No - Residential Yes - Business No - Business
8.	If you do offer bundled services, what is the percentage of your Florida residential and business customers that <u>can</u> purchase the bundles? Please provide the percentage below. If you do not offer bundled services, please check "not applicable." 100% Residential100% Business
	Not applicable
9.	If you do offer bundled services, what percentage of your Florida residential and business customers purchase the bundles? Please provide the percentage below. If you do not offer bundled services, please check "not applicable."
	100%_ Residential100%_ Business Not applicable

$\underline{\textbf{VoIP}}$

10.	is o	licate below whether you are offering VoIP service to end users in Florida. VoIP service defined as IP-based voice service provided over a digital connection. Please check any tapply. Not offering VoIP service to end users Offering VoIP services to business end users Offering VoIP services to residential end users
11.	If y	ou are offering VoIP service in Florida:
	a.	Where are you offering VoIP service, e.g., specific cities, counties, statewide, etc.? Statewide
	b.	What is the range of prices for residential VoIP service? \$24.99 to 29.99
	c.	What is the range of prices for business VoIP service? \$29.99 to \$39.99
	d.	Please check all that apply to your VoIP service: Offer wireless VoIP service Offer wireline VoIP service Optional power backup Standard power backup X_ Contribute to Universal Service Fund Peer-to-Peer only (no interconnection with PSTN) Use of public Internet Use of private IP network
	e.	If you are not offering VoIP service to end-users in Florida, do you anticipate doing so? If yes, identify rollout month/year.
Broa	dbaı	<u>nd</u>
12.	ansv	you offer broadband to residential customers in Florida? Please check the applicable ver. Yes No
13.	estir	ou do offer broadband to residential customers in Florida, please provide your best mate of the percentage of residential end user premises in your Florida service area for th your broadband services are available.

14.	For your Florida territory in which you currently do not offer broadband, what percentage of these customers do you plan to provide broadband availability in the next 5 years?						
15.	How many residential broadband subscribers do you have in Florida?						
16.	Please list the method(s) of broadband provisioning utilized in Florida by your company (i.e. DSL, cable modem, fiber, etc.).						
17.	What are the typical downstream and upstream speeds for your most popular broadband service?						
18.	What is the monthly price for your most popular residential broadband service?						
<u>Fibe</u>	er Deployment						
	Did you deploy fiber to homes or businesses in Florida between May 31, 2006 and December 31, 2007? Yes						
19. 20.							
19.	31, 2007?YesNo						
19.	31, 2007? Yes XNo If you answered Yes to question 19 above, please provide the following information:						
19.	31, 2007? Yes XNo If you answered Yes to question 19 above, please provide the following information: a. Location of each deployment (e.g., name of development, wire center, and exchange). b. Type of infrastructure for each deployment (e.g., Fiber to the Home/Fiber to the

Miscellaneous

22. In calendar year 2007, how much money did you invest in your network directly serving Florida's local service customers? Please check the applicable answer.

23. Are you currently operating under Chapter 7 or Chapter 11 protection? Please check yes or no.

- 24. Please provide a copy of the Form 477 you filed with the FCC with data as of:
 - a. June 30, 2007
 - b. **December 31, 2007**
- 25. Did the relief requested in Verizon's petition for Forbearance deemed granted by operation of law, effective March 19, 2006, affect your business model going forward? If so, how?

Comments

Have you experienced any significant barriers in entering Florida's local exchange markets? Please list and describe any major obstacles or barriers encountered that you believe may be impeding the growth of local competition in the state, along with any suggestions as to how to remove such obstacles. Any additional general comments or information you believe will assist staff in evaluating and reporting on the development of local exchange competition in Florida are welcome.

FCC Form 4	77 Lo	cal Telephone	Competition	and Broadha	and Reporting

Part V: Zip Code Listings

OMB NO: 3060-0816

EXPIRATION DATE: 05/31/2008

Lightyear Network Solutions, LLC for Florida December 31, 2007

Filers reporting broadband connections (Part I) must supply lists of the 5-digit Zip Codes in which the filer provided each type of broadband connection reported in Part I, except that: (1) filers reporting mobile wireless broadband connections must report in column (g) the Zip Codes that best represent the "coverage area" in which the filer's mobile wireless broadband service was deployed and offered for sale to end users; and (2) the traditional wireline and other categories are combined in column (i).

Filers reporting voice telephone service provided to end users (Line II-1 of Part II) must provide in column (j) a list of the Zip Codes in which the filer provided such service.

 V - 1. 5-digit Zip Codes, in the state, that are associated with the information reported in Part I and Part II, as specified herein.
 (Do not provide customer counts by Zip Code.)

Data as of December 31, 2007
