Re: Mid-County Services, Inc.
2008 General Rate Increase Application
Our File No.: 30057.155

RECEIVED

Florida Public Service Commission
COMMISSIONER EDGAR

Dear Chairman Edgar:

This letter, pursuant to Rule 25-30.430, Florida Administrative Code, requests approval of a test year for Mid-County Services, Inc. (the "Company"). The Company intends to submit an application for general rate relief to the Florida Public Service Commission for its wastewater system located in Pinellas County, Florida. The Company intends to submit the minimum filing requirements ("MFRs") on or before August 29, 2008.

The Company's last rate proceeding was in Docket No. 060254-SU, which culminated in Order No. PSC-07-0134-PAA-SU, issued February 16, 2007. That Order was declared final in Order No. PSC-07-0227-CO-SU, issued March 13, 2007. Rates were set utilizing a test year ending December 31, 2005.

The Company requests an historic test year ending December 31, 2007. The requested test year is representative of a normal full year of operation.

Since the Company's last rate proceeding, the Company has made major changes to plant and equipment, specifically, upgrades and maintenance to plant and equipment, safety and security improvements, installation of odor control equipment, rehabilitative work to plant grounds, sewer mains, manhole covers and replacement of various pump, filter and meter systems. Within that same period of time, there have been no major changes in operational methods.

The Company proposes to make major pro forma plant additions, including an investigation into certain plant and equipment to identify deficiencies. The MFRs will include pro forma adjustments for increases in salaries and salary-related benefits, purchased power and other costs, which will be requested in this proceeding. The pro formas are non growth-related.

Pursuant to Section 367.081(8), Florida Statutes, the Company requests that the Commission process this petition for rate relief using the proposed agency action procedure. The Company also will request interim rates based on the historic test year.

Should you or members of the Staff have any questions regarding this request, please do not hesitate to contact me.

Very truly yours,

CHRISTIAN W. MARCELLI
