Docket No. 080002-EG

Filed: May 1, 2008

**FLORIDA POWER & LIGHT COMPANY'S  
PETITION FOR APPROVAL OF TRUE-UP AMOUNT**

Pursuant to Order No. PSC-07-0166-PCO-EG, issued February 23, 2007 in the above-referenced Docket, Florida Power & Light Company ("FPL") petitions the Florida Public Service Commission ("Commission") for approval of an under recovery of \$4,682,957 as FPL's adjusted net true-up amount for the January through December 2007 Energy Conservation Cost Recovery ("ECCR") final true-up period. In support of this Petition, FPL states:

1. The name and address of the affected agency are:

Florida Public Service Commission  
2540 Shumard Oak Boulevard  
Tallahassee, Florida 32399-0850

2. The name, address and telephone number of the petitioner are:

3. FPL is a public utility subject to the Commission's jurisdiction pursuant to Chapter 366, Florida Statutes. Pursuant to Section 366.82, Florida Statutes, and Rule 25-17.015, Florida Administrative Code, FPL has an ECCR clause through which it recovers its reasonable and prudent unreimbursed costs for conservation audits, conservation programs, and implementation of FPL's conservation plan. FPL has substantial interests in the proper calculation and recovery of its ECCR factor and the final true-up which is used in the computation of FPL's ECCR factor.

4. FPL seeks Commission approval of an under recovery of \$4,682,957 as the adjusted net true-up amount for the period January through December 2007. FPL's final adjusted net true-up for January through December 2007 was calculated consistently with the methodology set forth in Schedule 1, page 2 of 2, attached to Order No. 10093, dated June 19, 1981. This calculation and the supporting documentation are contained in Exhibit MB-1, an exhibit attached to the prepared testimony of FPL's witness Maria Besada, which is being filed contemporaneously with this Petition. Exhibit MB-1 consists of (a) the Energy Conservation Cost Recovery True-Up Reporting Forms that FPL and other utilities were directed to file by the Commission's Electric & Gas Department memorandum dated April 14, 1982, (b) explanatory supplements to certain of the forms, (c) a complete list of account and subaccount numbers used for conservation cost recovery as required by Rule 25-17.015(3), Florida Administrative Code, and (d) documentation necessary to support claimed energy savings in conservation advertising as required by Rule 25-17.015(5), Florida Administrative Code.

5. Rule 25-17.015, Florida Administrative Code, provides, in pertinent part, that each utility seeking conservation cost recovery must file, "an annual final true-up filing showing the common costs, individual program costs and revenues, and actual total ECCR revenues for

the most recent 12-month historical period from January 1 through December 31 that ends prior to the annual ECCR proceedings.” For the proceedings scheduled for November 2008, that twelve-month period is January 1, 2007 through December 31, 2007; therefore, FPL’s true-up filing is for the twelve months January through December 2007.

6. FPL’s current ECCR Factor -- approved by the Commission to be applied to customers’ bills during the January through December 2007 period -- reflected an estimated/actual net true-up overrecovery of \$15,779,417 for the January through December 2007 period. However, the actual net true-up overrecovery for the January through December 2007 period was \$ 11,096,460. The adjusted net true-up of \$4,682,957 for the period January through December 2007 is the difference between the actual net true-up overrecovery for the January through December 2007 period of \$ 11,096,460 and FPL’s approved estimated/actual true-up overrecovery of \$ 15,779,417. This \$4,682,957 is the amount that should be recovered] on jurisdictional sales during FPL’s next annual ECCR recovery period.

7. FPL is not aware of any disputed issues of material fact.

8. This is a petition requesting approval of a true-up amount for ECCR; it is not a petition in response to an agency action. Therefore, FPL cannot provide “a statement of when and how the petitioner received notice of the agency decision.”

9. The approval of FPL’s final adjusted ECCR net true-up under recovery of \$4,682,957 for the period January through December 2007 is in the public interest. Section 366.82, Florida Statutes, and Rule 25-17.015, Florida Administrative Code, entitle FPL to relief.

WHEREFORE, FPL respectfully requests that the Commission approve an under recovery of \$ 4,682,957 as the final adjusted net true-up amount for the January through

December 2007 period, and that the approved final adjusted net true-up amount be carried over and reflected in FPL's next ECCR factors.

Respectfully submitted,
