Re: Staff Request for Additional Data for 2008 Local Competition Data Request

Dear Ms. Cole:

Per staff's request, attached is a file containing June and December 2007 Resale and Wholesale Advantage lines for Residential and Business by CLEC in Florida. This filing includes a separate envelope containing a confidential CD with data table responses, along with two redacted copies of the tables attached to this letter. Verizon considers the CD confidential in its entirety.

Wholesale Advantage lines include UNE-P replacement lines offered under a Wholesale Advantage agreement as well as vestige UNE-P lines- those UNE-P lines not under Wholesale Advantage agreements that should be transitioning shortly to resale.

Verizon considers this information to be confidential as it contains proprietary information that could be used by competitors to gain an unfair competitive advantage. Therefore, this filing is made under a Claim of Confidentiality pursuant to F.S. 364.183(1) and Rule 25-22.006(5). Verizon understands the information must be kept confidential until returned to Verizon.

If you have any questions or concerns, please feel free to contact me or Demetria Clark at (850) 222-5479.

Sincerely,

*David M. Christian*
