Mr. McCoy

I have attached a revised copy of the Application for you.

I am no longer affiliated with them as of December 2004, I was the General Manager there at Florida Phone Service, Inc. and I was promised certain pay raises and commissions for year ending 2004 and did not receive any. I took Florida Phone Service, Inc. to the next level with my knowledge from 350 customers to almost having 9,000 by the end of 2004. There unfortunate situation with the PSC will not happen with Advanced Telecom of South Florida, Inc. because not only will I be the owner of the Company but I'm going to run the Company my self not like They did by having people running it for them and not even being aware of what is going on, on a day to day basis. I'm sure If you check Between 2003 and 2004 All Taxes and RAF payments were done and up to date, while I was around. Plus one more thing Mr. McCoy I enjoy doing what I do I'm not only in it for the money.

Thank you very much for all your help in this matter If you have any other questions or comments please feel free to contact me at any time.

Regards,

Orlando Barrios III

Mr. Barrios,

I am the Analyst assigned to process your Company's CLEC application.

Please see page 6 of the application, questions 17.(b) and (c) and edit your responses by discussing your previous involvement with Florida Phone Service, Inc., Certificate No. 7936. Email this corrected page back to me.

Due diligence shows you were the party on record for this particular incarnation of Florida Phone Service, Inc. which was cancelled by the Commission for not paying RAF's. Are you still affiliated with them? If not, why? Given they were cancelled for non-RAF payment for this particular certificate, please explain how this will not occur with Advanced Telecom of South Florida, Inc.

Call if you have any questions.
