NOTICE OF PUBLIC HEARING

The Florida Public Service Commission has scheduled a determination of need hearing as part of its decision-making process in Docket 080148-EI regarding the request of Progress Energy Florida for determination of need for Levy Units 1 and 2 nuclear power plants.

Hearing Schedule

The determination of need hearing will be conducted by the commission at the time and place indicated below.

Wednesday, May 21, 2008 – Friday, May 23, 2008 at 9:30 a.m.

Betty Easley Conference Center
Joseph P. Cresse Hearing Room (Room 148)
4075 Esplanade Way
Tallahassee, Florida

The purpose of this hearing is to provide Progress Energy Florida and other intervenors an opportunity to present evidence and testimony concerning the need for the nuclear power plants that Progress Energy Florida is proposing to build in Levy County, Florida. Members of the public who are not parties to this proceeding will also have an opportunity to present testimony. As part of the need determination process, the Florida Public Service Commission will examine the need for electric system reliability and integrity, including fuel diversity, the need for baseload generating capacity, the need for adequate electrically at a reasonable cost, and whether renewable energy sources and technologies as well as conservation measures are utilized to the extent reasonably available.

Members of the public who wish to offer testimony should be present at the beginning of the hearing, at 9:30 a.m. on May 21, 2008, at the location referenced above.

Customer comments regarding Progress Energy's request may also be submitted to the commission at the following address: Office of Commission Clerk, Florida Public Service Commission, 2540 Shumard Oak Boulevard, Tallahassee, Florida, 32309-0850. Such comments should refer to Docket No. 080148-EI. Customers may also contact Progress Energy with questions or comments relating to the request through its Web site at progress-energy.com/energyplanning.

Any person requiring some accommodation at the hearing because of a physical impairment should call the Director of the Commission, Clerk and Administrative Services at 1-850-410-5770 at least 48 hours prior to the meeting. Any person who is hearing or speech-impaired please contact the Florida Public Service Commission using the Florida Relay Service, which can be reached at 1-800-955-8771 (TDD).

NOTICE OF PUBLIC HEARING

The Florida Public Service Commission has scheduled a determination of need hearing as part of its decision-making process in Docket 080148-EI, regarding the request of Progress Energy Florida for determination of need for Levy Units 1 and 2 nuclear power plants.

Hearing Schedule

The determination of need hearing will be conducted by the commission at the time and place indicated below:

Wednesday, May 21, 2008 - Friday, May 23, 2008 at 9:30 a.m.

Betty Easley Conference Center
Joseph P. Cresse Hearing Room (Room 148)
4075 Esplanade Way
Tallahassee, Florida

The purpose of this hearing is to provide Progress Energy Florida and other intervenors an opportunity to present evidence and testimony concerning the need for the nuclear power plants that Progress Energy Florida is proposing to build in Levy County, Florida. Members of the public who are not parties to this proceeding will also have an opportunity to present testimony. As part of the need determination process, the Florida Public Service Commission will examine the need for electric system reliability and integrity, including fuel diversity, the need for baseload generating capacity, the need for adequate electricity at a reasonable cost, and whether renewable energy sources and technologies as well as conservation measures are utilized to the extent reasonably available.

Members of the public who wish to offer testimony should be present at the beginning of the hearing, at 9:30 a.m. on May 21, 2008, at the location referenced above.

Customer comments regarding Progress Energy's request may also be submitted to the commission at the following address: Office of Commission Clerk, Florida Public Service Commission, 2540 Shumard Oak Boulevard, Tallahassee, Florida, 32399-0850. Such comments should refer to Docket No. 080148-EI. Customers may also contact Progress Energy with questions or comments relating to the request through its Web site at progress-energy.com/energyplanning.

Any person requiring some accommodation at the hearing because of a physical impairment should call the Division of the Commission Clerk and Administrative Services at 1.850.413.6770 at least 48 hours prior to the meeting. Any person who is hearing- or speech-impaired, please contact the Florida Public Service Commission using the Florida Relay Service, which can be reached at 1.800.955.8771 (TDD).
