6. FPL incorporates herein by reference Exhibits A and B from its October 29, 2001 filing. 9. As supported by the affidavit provided in Exhibit D, the information at issue contains or constitutes internal auditing controls and reports of internal auditors or information relating to the same. This information is protected by section 366.093(3)(b), Florida Statutes.

10. Nothing has changed since the issuance of Order No. PSC-06-0980-CFO-EI to render the information stale or public such that continued confidential treatment would not be appropriate. Accordingly, FPL requests that the information be accorded confidential classification for an additional eighteen-month period. FPL further requests that the information be returned to FPL as soon as it is no longer necessary for the Commission to conduct its business.

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials and affidavit included herewith and incorporated herein by reference, Florida Power & Light Company respectfully requests that its Fourth Request for Extension of Confidential Classification be granted.

Respectfully submitted,
