AFFIDAVIT OF TERRY O. JONES

BEFORE ME, the undersigned authority, personally appeared Terry O. Jones who, being first duly sworn, deposes and says:

1. My name is Terry O. Jones. I am currently employed by Florida Power & Light Company ("FPL") as Vice President of Nuclear Plant Support in the Nuclear Business Unit. I have personal knowledge of the matters stated in this affidavit.

2. With respect to Exhibit C, I have reviewed the documents that are included in Exhibit A to FPL's Request for Confidential Classification of Information Obtained in Connection with Audit No. 08-003-4-2. The document and materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information and negotiated agreements for services of FPL facilities. This information, if made public, would disclose certain procedures to the detriment of FPL and its customers, and would impair FPL's efforts to enter into contracts on commercially favorable terms. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
