RE: Docket 070739-WS, Request to Declassify Document No. 03044-08, Fairways at Plymouth Establishment of Rate Base at Transfer as of April 30, 2007

Please declassify Document No. 03044-08, consisting of staff's audit working papers, Volume 2 of 2, pertaining to the audit report titled "Fairways/Mt. Plymouth, Ltd. Establishment of Rate Base At Transfer as of April 30, 2007, Audit Control No. 08-025-1-1."

On April 18, 2008, pursuant to the provisions of Rule 25-22.006(3)(a)2., Florida Administrative Code (FAC), an audit exit conference was held with the utility regarding sensitive materials which were retained by the staff in support of its audit. Since the audit exit conference, these materials have been held in a temporary confidential status.

More than 21 days have passed since the audit exit conference, and Rule 25-22.006(3)(a)2., FAC, provides that unless a formal request for a confidential classification is filed within 21 days of the audit exit conference, then confidentiality for the material is waived.

The utility has been contacted regarding this matter and has elected to waive confidentiality for these materials.

Therefore, please declassify Document No. 03044-08 and return these materials to the Bureau of Auditing.
