**Attachments:** FL IXC Tariff 06-02-08.doc; FL CLEC Price List 06-02-08.doc; CLEC Application Page 5.pdf

Toni:

Attached please find all requested documents and revisions. I corrected the CLEC Price List. I also included the entire IXC Tariff because I thought you'd prefer to have the tariff in .doc rather than .pdf. I also revised page 5 of the CLEC Application with additional information. Conversations today with the client uncovered authorities we were not previously aware of and applications have been filed and are pending in AL and TX since this FL CLEC Application was filed. You now have the most current information. Thank you again for all your help.

**Subject:** Tariff Edit Original Sheet 16, 4.4

*Hi Chris,*

*I am the Analyst working your IXC and CLEC registration/certification for OneTone Telecom, Inc.*

*The IXC Tariff needs to have the actual IXC flat rate listed even if bundled in with the local service. The rate value is required and explaining it is part of a bundled package is fine. Please make that edit and send me another Original Sheet 16.*

*The CLEC application, page 5, Question 16.(b) needs a NO. and that page emailed to me. The CLEC has a Price List No. 1 and not a Tariff No. 2 when you get around to sending it in at a later date...so fyi.*
