) AFFIDAVIT OF WILLIAM P. LABBE
PALM BEACH COUNTY)

BEFORE ME, the undersigned authority, personally appeared William P. Labbe who, being first duly sworn, deposes and says:

1. My name is William P. Labbe. I am currently employed by Florida Power & Light Company ("FPL") as the Project Director for the Nuclear Power Uprate Projects. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed Exhibit C and the documents that are included in FPL's Request for Confidential Classification of Information Obtained in Connection with Audit No. 08-065-4-1, for which I am identified on Exhibit C as the affiant. The documents and materials that I have reviewed are asserted by FPL to be proprietary confidential business information, including but not limited to: maps of facilities, feasibility and transformer studies, outage plans, negotiated contracts, etc. Disclosure of this information would provide inappropriate public insight into security measures, systems, or procedures, would work to the detriment of FPL's competitive interests, would impair FPL's efforts to enter into contracts on commercially favorable terms and/or would constitute inappropriate publication of employee personnel information unrelated to compensation, duties, qualifications, or responsibilities. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
