DOCKET NO. 080000-~~PA~~ OT

FILED: June 18, 2008

**REQUEST FOR CONFIDENTIAL CLASSIFICATION OF SECTION 3.0 OF THE
“REVIEW OF FUEL PROCUREMENT HEDGING PRACTICES OF
FLORIDA’S INVESTOR-OWNED UTILITIES”**

Pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006(3), Florida Administrative Code, Florida Power & Light Company (“FPL”) requests confidential classification of certain information provided to the Florida Public Service Commission (“FPSC” or “Commission”) staff (“Staff”) in connection with Section 3.0 of the “Review of Fuel Procurement Hedging Practices of Florida’s Investor-Owned Electric Utilities,” No. PA-07-11-007 (the “FPL Hedging Review”) in this docket. In support of its Request, FPL states as follows:

1. By letter dated June 4, 2008, Staff transmitted a draft of the FPL Hedging Review to FPL and indicated its intent to publish the FPL Hedging Review. Pursuant to Rule 25-22.006(3)(a), FPL was given 21 days from the date of that letter, or until June 26, 2008, to file a formal request for confidential classification with respect to the FPL Hedging Review. This Request is intended to request confidential classification of the confidential portions of the FPL Hedging Review consistent with Rule 25-22.006(3)(a).

2. The following exhibits are included with and made a part of this request:

a. Exhibit A consists of a copy of the FPL Hedging Review, on which all information that FPL asserts is entitled to confidential treatment has been highlighted. Exhibit A is submitted separately in a sealed folder marked “CONFIDENTIAL.”

b. Exhibit B consists of an edited version of Exhibit A on which all information FPL asserts is entitled to confidential treatment has been redacted.

c. Exhibit C is a table containing a line-by-line and page-by-page identification of the information for which confidential classification is sought, and, with regard to each document or portions thereof, references to the specific statutory basis or bases for the claim of confidentiality and to the affidavits in support of the requested classification.

d. Exhibit D is comprised of the affidavit of Gerard J. Yupp.

3. FPL seeks confidential protection for the information highlighted in Exhibit A. The highlighted information is proprietary confidential business information within the meaning of Section 366.093(3). The information is intended to be, and has been, treated by FPL as confidential.

4. Pursuant to Section 366.093, the information highlighted in Exhibit A is entitled to confidential treatment and is exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review, such as weighing the harm of disclosure against the public interest in access to the information.

5. The statutory bases for FPL's assertion of confidentiality with regard to each document or portion thereof are set forth in Exhibit C under the column titled "FLORIDA STATUTE 366.093(3)." The letters in that column refer to the subsection(s) of Section 366.093(3) that provide justification for FPL's request. Further support for FPL's request for confidential classification of the referenced information is provided through the affidavit that is included as Exhibit D to this Request.

6. Upon a finding by the Commission that the information highlighted in Exhibit A, and referenced in Exhibit C, is proprietary confidential business information, the information should not be declassified for a period of at least eighteen (18) months and should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business. *See* § 366.093(4).

WHEREFORE, for the foregoing reasons, Florida Power & Light Company respectfully requests that this Request be granted.

Respectfully submitted,

R. Wade Litchfield, Esq.
