TO: Howard Meister, President

Dear Mr. Meister:

The Regulatory Assessment Fee is applicable if a certificate is active for any day during a calendar year whether a certificate holder had any revenues or ever started operations. The fee must be postmarked by January 30th to avoid late payment charges. Our records show the 2007 fee, including late payment charges, has not been received. The fee is .0020 of a certificate holder's intrastate revenues, or the minimum \$100, whichever is greater.

If you owe the minimum and if payment is postmarked by February 29, the amount due is \$106 (\$100 minimum fee, \$5 penalty, \$1 interest). If you owe the minimum and if payment is postmarked between March 1 and March 30, the amount due is \$112 (\$100 minimum fee, \$10 penalty, \$2 interest). As information, the late payment charges continue to accrue until the fee is paid.

Delinquent notices have now been mailed and if a certificate holder does not comply with the notice within 15 days, certificate holders will automatically be fined \$500 for a first offense, \$1,000 for a second offense, and \$2,000 for a third offense. If North Coast Payphones, Inc. does not comply, it would be automatically fined \$500 since this will be its first offense of the same Regulatory Assessment Fee rule violation.

If you wish to cancel your pay telephone certificate, please write the Commission a letter requesting cancellation. If you want a voluntary cancellation, please include payment of the 2007 and 2008 Regulatory Assessment Fees, including any applicable late payment charges. If full payment is not included, the Commission would still cancel the certificate, it would just be cancelled on the Commission's own motion and any unpaid fees would be turned over to collections.

Please let me know if you have any questions or need a copy of the 2007 (and/or 2008) Regulatory Assessment Fee return form(s). Thanks.
