NOTICE TO CUSTOMERS

Pursuant to Section 367.081 (4) (a), Florida Statutes, water and wastewater utilities are permitted to adjust the rates and charges to its customers without those customers bearing the additional expense of a public hearing. These adjustments in rates would depend on increases or decreases in noncontrollable expenses subject to inflationary pressures such as chemicals, and other general operation and maintenance costs.

On **April 25, 2008**, **Plantation Bay Utility Company** filed its notice of intention with the Florida Public Service Commission to increase water and wastewater rates in **Volusia/Flagler** County pursuant to the above Statutes. The filing is subject to review by the Commission Staff for accuracy and completeness. Water rates will increase by approximately **3.00%** and Wastewater rates by **3.09%**. These rates should be reflected on your bill for services rendered on or after **July 1, 2008**. If you should have any questions, please contact your local utility office. Be sure to have your account number handy for quick reference.
