The Honorable Matthew M. Carter, II
Florida Public Service Commission
2540 Shumard Oak Boulevard
Tallahassee, FL 32399-0850

Dear Chairman Carter:

Modernizing the Riviera power plant is the right thing to do for Palm Beach County and all of FPL's customers. Not only will the upgrade to the Riviera plant produce significant environmental benefits, it will make the plant more fuel efficient which means savings for FPL customers, our constituents.

For these reasons, I support FPL's plan to include a third unit at the West County Energy Center and the important conversion projects they have proposed. In fact, the Palm Beach County Board of County Commissioners gave all necessary approvals for FPL to construct the West County Energy Center. I request that you also support this effort that will benefit all concerned.

Sincerely,

Commissioner Jeff Koons
