Re: Docket No. 080001-EI

Dear Ms. Cole:

On May 29, 2008, Florida Power & Light Company ("FPL") filed a Request for Confidential Classification of Information Provided Pursuant to Audit No. 08-003-4-2. This Request is identified as document no. 04587-08 in the Document Detail file for the above docket. Robert Freeman, of the Commission Staff, has brought to FPL's attention some minor discrepancies in Exhibit C (the confidentiality justification table) and Exhibit D (the supporting affidavit of Terry J. Keith) that accompanied the Request. I am enclosing for filing in the above docket the original and seven (7) copies of revised Exhibits C and D that correct the discrepancies identified by Mr. Freeman.

If there are any questions regarding this transmittal, please contact me at 561-304-5639.

Sincerely,

John T. Butler

DOCKET NO. 080001-EI

MIAMI-DADE COUNTY)

AFFIDAVIT OF TERRY J. KEITH

BEFORE ME, the undersigned authority, personally appeared Terry J. Keith who, being first duly sworn, deposes and says:

1. My name is Terry J. Keith. I am currently employed by Florida Power & Light Company ("FPL") as Director of Cost Recovery Clauses in the Regulatory Affairs Department. I have personal knowledge of the matters stated in this affidavit.

2. With respect to Exhibit C, I have reviewed the documents that are included in Exhibit A to FPL's Request for Confidential Classification of Information Obtained in Connection with Audit No. 08-003-4-2. The documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information contain or constitute customer-specific account information. It is FPL's corporate policy not to disclose customer-specific information. This policy includes, but is not limited to: customer names, addresses, telephone numbers, account numbers, rates, billing determinants (kW and kWh usage), conservation savings in kW, kWh and bills. FPL treats such information as confidential and does not disclose it, except as required by law, to entities or persons other than the customer absent the customer's consent. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
