Hey Dorothy...

I heard from the company just now. They want to go with the Corporation Spelling without commas or periods. Ignore the Fictitious name completely.

Please update the Docket title to exclude commas and periods using this email.

Dorothy,

The company doesn't have a period at the end of "Inc."... is should be Inc without period.

It is hard to tell since it is also the end of a sentence, but in MCD the period is listed so I wanted to double check with you.
