Hi Paula,

Per this e-mail, I will make the change to the docket title to read:

Bankruptcy cancellation by Florida Public Service Commission of CLEC Certificate No. 7160 and IXC Registration No. TJ276, issued to CAT Communications International, Inc., effective June 30, 2008.

I will also make the change to the suffix. Thank you for letting me know!

Good morning, Dorothy. Just so you'll know, I will be filing the CASR this morning. However, I need the docket title changed to make it a bankruptcy cancellation. The new title should read:

Bankruptcy cancellation by Florida Public Service Commission of CLEC Certificate No. 7160 and IXC Registration No. TJ276, issued to CAT Communications International, Inc., Effective June 30, 2008.

In addition, the suffix needs changing from TX to TP. Thanks!
