Subject: Return of Confidential Document No. 06009-08 to FPL in Docket No. 080001-EI.

Marguerite,

Please return to FPL Confidential Document No. 06009-08 filed July 11 in Docket No. 080001-EI. It is FPL's response to FIPUG's 1st set of interrogatories (Nos. 1, 2, 4, and 5) and 1st request for PODs (Nos. 1, 2, 6, and 10). Technical staff has reviewed this information and has determined that if it needs to review this information further, it may request that it be furnished at a later time (GCL is in agreement). Also, FPL has agreed to maintain this information in their offices through the remainder of 2008 for staff's convenience in reviewing it again as necessary. I have told FPL's Terry Keith that the utility may call the Clerk's office later today to determine when the document will be available for pick-up. Thank you.
