RE: Docket No.: 080113-WS; Application of Regency Utilities, Inc., for Certificates of Authorization for its Water and Wastewater Operations in Duval County, Florida  
Our File No.: 42003.02

Dear Ms. Cole:

The Commission Staff has requested that Regency Utilities, Inc. (the "Utility") provide justification for its requested miscellaneous service charges. The requested miscellaneous service charges are based on cost projections, and are consistent with the charges recently approved in Docket No. 070548-WS. A calculation of the charges would generally be as follows:

During normal business hours:

Labor (\$32/hr. x 0.75 hours) = \$24  
Transportation = \$6  
Total = \$30

After hours:

Labor (\$48/hr. x 0.75 hours) = \$36  
Transportation = \$6  
Total = \$42

Should you have any questions regarding this filing, please do not hesitate to give me a call.

Very truly yours,

CHRISTIAN W. MARCELLI  
Of Counsel
