

VOTE SHEET

July 29, 2008

Docket No. 080001-EI – Fuel and purchased power cost recovery clause with generating performance incentive factor. (Gulf Power Company)

Issue 1: Should the Commission approve Gulf's petition for a mid-course correction to its 2008 fuel and purchased power cost recovery factors?

Recommendation: Yes. The Commission should approve Gulf's petition for a mid-course correction to its 2008 fuel and purchased power cost recovery factors. The proposed factors are shown on Attachment B of staff's memorandum dated July 17, 2008. If the Commission approves an alternative mid-course correction, the Commission should require Gulf to file revised fuel and purchased power cost recovery factors for administrative approval by staff.

APPROVED

Issue 2: What is the appropriate effective date for Gulf's revised cost-recovery factors?

Recommendation: If the Commission approves Issue 1, the new factors should become effective with Gulf's first billing cycle in September 2008.

APPROVED
