Ann Cole
Commission Clerk
Florida Public Service Commission
2540 Shamard Oak Boulevard
Tallahassee, Florida 32399-0850

Dear Ms. Cole,

Enclosed please find the following revisions to CHELCO tariff sheets:

Title	New Sheet	Cancelled Sheet	Sheet #
Miscellaneous Charges	Seventh	Sixth	5.0
Continued	First	Original	5.0.1

CHELCO has modified the above mentioned tariff sheets to reflect changes in the miscellaneous charges. The changes include a charge for utilizing a piece of equipment that allows CHELCO to remotely disconnecting a service and a charge for services that the landowner wants left in place even though it is disconnected. This would allow CHELCO to cover the cost to maintain a service that would otherwise be retired.

CHELCO's Board of Trustees approved the changes in this filing at its board meeting on July 22, 2008. CHELCO requests that the Commission approve the rates included in this filing and make them effective September 1, 2008.

Respectfully,

JESmith
