

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Nuclear Power Plant Cost
Recovery Clause

Docket No. 080009-EI
Submitted for Filing: July 31, 2008

**REVISED NOTICE OF INTENT TO REQUEST
CONFIDENTIAL CLASSIFICATION**

Progress Energy Florida, Inc. ("PEF" or the "Company"), pursuant to Section 366.093, Fla. Stat., and Rule 25-22.006, F.A.C., files this revised notice of intent to request confidential classification of the confidential Revised Direct Testimony of William R. Jacobs, Jr., filed by the Office of Public Counsel in the above docket, bearing Commission Document Numbers 06700-08 and 06701-08. This testimony contains confidential and sensitive cost figures regarding the Company's nuclear projects, including contractual cost information. Public disclosure of this information would impair PEF's competitive business interests and would also violate confidentiality agreements contained in PEF's contracts with third party vendors.

This information should be accorded confidential treatment pending the filing of PEF's request for confidential classification and a decision on PEF's request by the Florida Public Service Commission.

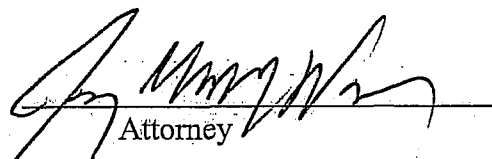

Respectfully submitted this day of July 31, 2008.

R. Alexander Glenn
