Dorothy, this filing appears to be a 252(i) adoption of the MCImetro Access agreement between Frontier and MCImetro. I'm waiting for confirmation there are no "modifications." In the meantime, can you please change the docket title to:

"Notice of adoption of existing interconnection agreement between Frontier Communications of the South, Inc. and MCImetro Access Transmission Services, LLC by Bright House Networks Information Services (Florida), LLC."

Also, the event and event date for "statutory deadline" is not necessary if this is a pure adoption. I will let you know if it's pure versus modified, once I hear from the company.
