Project Management Internal Controls for
Nuclear Plant Uprate and Construction Projects*

Docket No: 080000

Submitted for Filing: August 7, 2008

PROGRESS ENERGY FLORIDA'S MOTION TO TRANSFER DOCUMENTS

Progress Energy Florida ("PEF"), by and through its undersigned counsel, files this Motion to Transfer Documents to Docket 080009, and in support thereof state as follows:

1. On July 29, 2008, PEF filed Progress Energy Florida's Request for Confidential Classification Regarding Audit report, Data Requests, and Workpapers in response to data requests, during Staff's *Review of Progress Energy Florida's Project Management Internal Controls for Nuclear Plant Uprate and Construction Projects* in Docket 080000 as an undocketed matter (PSC Document Nos. 06563-08 through 06633-08). PEF also filed a Notice of Filing Affidavits in Support of the request (PSC Document No. 06634-08).
2. On August 6, 2008, PEF filed a Notice of Filing Supplemental Documents to PEF's Request for Confidential Classification inadvertently omitted to the initial filing (PSC Document Nos. 06891-08 through 06894-08).
3. On August 6, 2008, Staff Counsel and PEF agreed that transfer of these documents to Docket 080009 would facilitate disposition and be a more efficient procedure.
4. PEF does not believe any party would be unduly prejudiced by granting this request.

For the reasons given, PEF requests the Commission to grant the Motion to Transfer Documents 06565-08 through 06634-08 and Document Nos. 06891-08 through 06894-08 to Docket 080009.

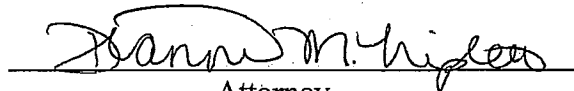

Respectfully submitted this 7th day of August, 2008.
