12. **Notice.** Except for any notice required under applicable law to be given in another manner, (a) any notice to Borrower provided for in this Mortgage shall be given by delivering it or by mailing such notice by certified mail addressed to Borrower at the Property Address or at such other address as Borrower may designate by notice to Lender as provided herein, and (b) any notice to Lender shall be given by certified mail to Lender's address stated herein or to such other address as Lender may designate by notice to Borrower as provided herein. Any notice provided for in this Mortgage shall be deemed to have been given to Borrower or Lender when given in the manner designated herein.

13. **Governing Law; Severability.** The state and local laws applicable to this Mortgage shall be the laws of the jurisdiction in which the Property is located. The foregoing sentence shall not limit the applicability of Federal law to this Mortgage. In the event that any provision or clause of this Mortgage or the Credit Agreement conflicts with applicable law, such conflict shall not affect other provisions of this Mortgage or the Credit Agreement which can be given effect without the conflicting provision, and to this end the provisions of this Mortgage and the Credit Agreement are declared to be severable. As used herein, "costs," "expenses" and "attorneys' fees" include all sums to the extent not prohibited by applicable law or limited herein.

14. **Prior Mortgage or Deed of Trust; Modification; Future Advance.** Borrower shall not enter into any agreement with the holder of any mortgage, deed of trust or other security agreement which has priority over this Mortgage by which that security agreement is modified, amended, extended, or renewed, without the prior written consent of the Lender. Borrower shall neither request nor accept any future advance under a prior mortgage, deed of trust, or other security agreement without the prior written consent of Lender.

15. **Borrower's Copy.** Borrower shall be furnished a copy of the Credit Agreement and of this Mortgage at the time of execution or after recordation hereof.

16. **Rehabilitation Loan Agreement.** Borrower shall fulfill all of Borrower's obligations under any home rehabilitation, improvement, repair, or other loan agreement which Borrower may enter into with Lender. Lender, at Lender's option, may require Borrower to execute and deliver to Lender, in a form acceptable to Lender, an assignment of any rights, claims or defenses which Borrower may have against parties who supply labor, materials or services in connection with improvements made to the Property.

17. **Waiver of Homestead Exemption.** Borrower hereby waives the benefit of the homestead exemption as to all sums secured by this Mortgage.

18. **Waiver of Statutes of Limitation.** Borrower hereby waives, to the full extent permitted by law, statutes of limitation as a defense to any demand or obligation secured by this Mortgage.

19. **Merger.** There shall be no merger of the interest or estate created by this Mortgage with any other interest or estate in the Property at any time held by or for the benefit of Lender in any capacity, without the written consent of Lender.

20. **Notice of Transfer of the Property; Advances after Transfer.** Borrower shall give notice to Lender, as provided in paragraph 12 hereof, prior to any sale or transfer of all or part of the Property or any rights in the Property. Any person to whom all or part of the Property or any right in the Property is sold or transferred also shall be obligated to give notice to Lender, as provided in paragraph 12 hereof, promptly after such transfer.

Even if Borrower transfers the Property, Borrower will continue to be obligated under the Credit Agreement and this Mortgage unless Lender releases Borrower in writing. As a condition to Lender's consent to any proposed transfer or as a condition to the release of Borrower, Lender may require that the person to whom the Property is transferred sign an assumption agreement satisfactory to Lender and Lender may impose an assumption fee. The assumption agreement will not entitle the person signing it to receive advances under the Credit Agreement.

21. **Transfer of the Property.** Subject to applicable law, Lender shall have the right to accelerate, that is, to demand immediate payment in full of all sums secured by this Mortgage or Deed of Trust, if Borrower, without the written consent of Lender, sells or transfers all or part of the Property or any rights in the Property.

If Lender exercises the option to accelerate, Lender shall give Borrower notice of acceleration in accordance with paragraph 12 hereof. The notice shall provide a period of not less than 30 days from the date of the notice within which Borrower may pay the sums declared due. If Borrower fails to pay those sums prior to the expiration of such period, Lender may, without further notice or demand on Borrower, invoke any remedies permitted by paragraph 22 hereof.

22. **Default, Termination and Acceleration; Remedies.** Each of the following events shall constitute an event of default ("event of default") under this Mortgage: (1) Borrower commits fraud or makes a material misrepresentation in connection with this Mortgage or the Credit Agreement; (2) Borrower does not meet the repayment terms of the Credit Agreement; or (3) Borrower's action or inaction adversely affects the Lender's rights in the Property secured by this Mortgage. If an event of default occurs, then prior to exercising any right or remedy provided for in this Mortgage and prior to acceleration, Lender shall give notice to Borrower as provided in paragraph 12 hereof specifying: (1) the event of default; (2) the action required to cure such event of default; (3) a date, not less than 10 days from the date the notice is mailed to Borrower, by which such event of default must be cured; and (4) that failure to cure such event of default on or before the date specified in notice may result in acceleration of the sums secured by this Mortgage, foreclosure by judicial proceedings, and sale of Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the nonexistence of an event of default or any other defense of Borrower to acceleration and foreclosure.

If the event of default is not cured on or before the date specified in the notice, Lender, at Lender's option, may declare all of the sums secured by this Mortgage to be immediately due and payable without further demand and may foreclose this Mortgage by judicial proceeding. Lender shall be entitled to collect in such proceeding all expenses of foreclosure, including, but not limited to, reasonable attorneys' fees, court costs, and costs of documentary evidence, abstracts and title reports.

MISCELLANEOUS PROVISIONS: The following miscellaneous provisions are a part of this Mortgage:

Amendments. This Mortgage, together with any Related Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Mortgage. No alteration of or amendment to this Mortgage shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

Applicable Law. This Mortgage has been delivered to Lender and accepted by Lender in the State of Florida. This Mortgage shall be governed by and construed in accordance with the laws of the State of Florida.

Caption Headings. Caption headings in this Mortgage are for convenience purposes only and are not to be used to interpret or define the provisions of this Mortgage.

Multiple Parties. All obligations of Grantor under this Mortgage shall be joint and several, and all references to Grantor shall mean each and every Grantor. This means that each of the persons signing below is responsible for all obligations in this Mortgage.

Severability. If ownership of the Property becomes vested in a person other than Grantor, Lender, without notice to Grantor, may deal with Grantor's successors with reference to this Mortgage and the indebtedness by way of forbearance or extension without releasing Grantor from the obligations of this Mortgage or liability under the indebtedness.

Time is of the Essence. Time is of the essence in the performance of this Mortgage.

Waivers and Consents. Lender shall not be deemed to have waived any rights under this Mortgage (or under the Related Documents) unless such waiver is in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by any party of a provision of this Mortgage shall not constitute a waiver of or prejudice the party's right otherwise to demand strict compliance with that provision or any other provision. No prior waiver by Lender, nor any course of dealing between Lender and Grantor, shall constitute a waiver of any of Lender's rights or any of Grantor's obligations as to any future transactions. Whenever consent by Lender is required in this Mortgage, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required.
