080000

Good morning Toni! Glad that you are back and hope that you had a nice vacation. I appreciate you reviewing these and letting me know that they are not name changes. Let me know if you do hear back from Waterville, but for now we will leave their name as we currently have them listed in MCD. Thanks for all of your help and have a good day. N

Hi Nonnye,

I am back and found this email from you. All below, but Waterville Communications told me that they didn't want to change their name that the form was filled out incorrectly. FPUnet Communications is the internet company not their telephone company. Comtel Telcom has several certifications that do have Excel as a d/b/a, just not the not the one below.

I haven't managed to get Waterville to get back with me yet. I sent an email in May and have called them a few times. I will keep trying.

Toni

Good morning Toni, I noticed as I was reviewing the MCD update letters returned earlier this year, these indicated that their names had changed, and it doesn't appear that the following Document Nos. were handled (as a docket being opened for a name change, if one needed to be):

01823-08 - 3-11-08 - Fort Pierce Utilities Authority d/b/a GigaBand Communications [GigaBand] - MCD update form for Company Code TX716; in "mailing name" area GigaBand Communications is struck through and FPUAnet Communications is typed in.

 01824-08 - 3-11-08- Fort Pierce Utilities Authority d/b/a GigaBand Communications [GigaBand] - MCD update form for Company Code TA071; in "mailing name" area GigaBand Communications is struck through and FPUAnet Communications is typed in.

-----  
 01959-08 - 3-17-08 - Comtel Telcom Assets LP d/b/a VarTec Solutions [VarTec] - MCD update form for Company Code TX864; handwritten in "mailing name" area is "Excel"

-----  
02051-08 - 3-19-08 - Comtel Telcom Assets LP d/b/a VarTec Solutions [VarTec] - MCD update form for Company Code TK029; handwritten in "mailing name" area is "Excel Telecommunications."

-----  
03995-08 - 5-14-08 - Waterville Communications, Inc. [Wynn] - MCD update form for Company Code TH004; handwritten in "mailing name" area is "Waterville Communications, Inc. has been changed to First Telephone."

When you have time, would appreciate you checking on these and letting me know what you find out. These are filed in docket 080000-OT, should you need to see a copy of them. All of the rest that had indicated a name change were handled, but not these. Just didn't want these to be overlooked. Thanks for your help in this and have a good day. N
